

The Children's House Summer Camp Sessions

Session I: Monday, June 24th - Friday, July 19th

Session II: Monday, July 22nd - Friday, August 16th

Dear Parents,

We are very excited about Summer Camp at the Children's House. This summer, we will be busy learning and working together!

Summer camp sessions will be led by our Montessori teachers and campers will continue to experience the fundamentals of the Montessori philosophy including daily "grace and courtesy" exercises with an emphasis on kindness.

Campers will enjoy all of the following activities during their time with us:

Water Play: Daily Water Play in our own "Meadow" under the shade with sprinklers, wading pools and water toys.

Food Prep/Cooking: Campers will have the opportunity to prepare snacks and treats each week. Preparing and serving snacks is a natural way for children to learn cooperation and experience community. Children will learn about feeling textures, measuring ingredients, and how these properties change in the cooking process.

Movement Classes: Campers will enjoy learning how they can move with the music and how we react to certain musical genres including jazz, folk, pop and classical music.

Nature and Planting: Ms. Zietz, our resident Science teacher, will be helping the campers plant and grow an assortment of seeds. The campers will be growing their own vegetable garden.

Italian: Campers will enjoy language lessons with Ms. Taormina which will be an extension of the school year program and continue to expose the students to the Italian language.

Traditional Music Classes: Every Friday Ms. Lekos will join the campers and lead them with our piano, her ukulele and additional musical instruments.

Summer Session full day programs are Monday through Friday 8:00 am to 3:00 pm.

Campers in our full day program will have lunch at 11:30 am, followed by a rest period from 12:00 - 2:00 pm. Students who do not rest will have an opportunity to continue to explore and learn.

A half day program, Monday through Friday, 8:00 am to 12:30 am is also available.

Extended Day is Monday through Thursday until 6:00 pm and Friday until 5:30 pm

Summer Session I begins June 24th and ends July 19th.

Summer Session II begins July 22nd and ends August 16th.
